

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Jeffery Burnett v Andrew Peterman**
Docket No. **268599**
L.C. No. **03-006745 AV**

E. Thomas Fitzgerald, Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees is DENIED because this Court has the inherent authority to deny a motion to waive fees to curb serious abuses by persons filing motions to waive fees. See *In Re McDonald*, 480 US 180; 103 L Ed 2nd 158; 109 S Ct 993 (1989). The appellant has filed over 30 cases in this Court. In the overwhelming number of cases he was the party who initiated the lawsuit at the trial court level. Appellant has not had any real success in those cases at the trial court level or in this Court. In this latest case appellant has filed a nonconforming application that does not satisfy most of the requirements under MCR 7.205.

Appellant shall pay to the Clerk of this Court, within 21 days of the certification of this order, the entry fee of \$375.00 and the motion fee of \$100.00, for a total of \$475.00. Failure to comply with this order will result in the dismissal of this appeal.

The Clerk of this Court shall not accept any motion for reconsideration of this order since the appellant's requirement to pay a filing fee has been fully litigated in his last few appeals.
